SKILLS

HTML, CSS, JavaScript

React, TypeScript

Responsive Web Design

Debugging

Problem-solving

EDUCATION

University of Agriculture,

Makurdi, Benue State, Nigeria.

2021 – 2022

Studied Industrial Physics

Transitioned to tech to explore my passion for technology and Web3, leading me to focus on frontend development.

Estam University,

Cotonou, Bénin.

Sep 2025 – Present

PROFILE

Web developer with a growing knowledge of HTML, CSS, JavaScript, React, and TypeScript. Currently improving problem-solving skills through open-source and real-world projects. I enjoy solving problems through code and the process of turning code into something people can use and appreciate.

EXPERIENCE

Web Developer — 100Devs

Sep 2024 – Present

Participating in an intensive software engineering program focused on full-stack web development.

Build responsive and accessible websites using HTML, CSS, and JavaScript.

Engage in continuous learning, problem-solving, and debugging through hands-on coding challenges and mentorship.

Primary School Tutor

Feb 2021 – Aug 2021

Provided tutoring to elementary school pupils, improving their understanding of core subjects.

Developed and adapted lesson plans to suit each student's learning style, enhancing problem-solving and communication skills.
